Rules of Procedure for Joyfield Township Board Meetings

Citizen Comments to the Township Board:

1. The public may only address the township board at the time designated on the agenda.

2. Members of the public addressing the board shall take into consideration the rules of common courtesy.

3. Members of the public shall not use the public participation portion of the meeting to make personal attacks against members of the board or against other township officials or employees. If the intended comments constitute a complaint or charge brought against a member of the board or against another township official or employees alleging that the official or employee has violated a federal or state statute, or an ordinance, resolution, or policy of the township, the individual shall contact the township clerk under Rule 5.1 to request placement on the agenda.

4. Members of the public wishing to speak shall first obtain the approval of the chair. Upon receiving approval from the chair, the person wishing to address the board shall speak from the area designated within the hall. Each person who speaks shall address the entire board.

5. The persons addressing the board shall, when requested, identify themselves.

6. Each member of the public addressing the board may speak for three (3) minutes unless they contact the township clerk under Rule 5.1 to request placement on the agenda and specify the purpose of the presentation and length of time requested (maximum time allowed 15 minutes per speaker or group).

7. A member of the public who desires to submit a written statement shall give the statement to the township clerk prior to the commencement of the meeting or any comments. All written statements and documents presented to the board by an individual are considered public documents and shall be retained in the record of the meeting.

8. The above provisions, however, shall in no way impair the right of the chair to control the meeting as the presiding officer.
